## Job Description:

This position is full time from the months of March through the end of September. You will be required to work three days a week typically between Thursday and Monday. Two of these days will be in the field facilitating activities, while one day will be dedicated to work in the office and gear room. You will be directly responsible for overseeing Climbing, Rappelling, group initiatives, SUP, Fly Fishing, and multi-day out of field activities. The position will require you to work with two different age ranges, adolescent boys (13-17) and young adults (18-26).

We are looking for a person who can exercise good judgment and provide a creative process for the experience. All sites require off road driving and will require competence in various road conditions, ie: snow, mud, 4X4, etc.

## Responsibilities:

- Arrive to Huntington, UT with enough time to pack gear and get to the field on time.
- Arrive on site before the group, in order to setup and build anchors.
- During facilitation provide appropriate and thorough instruction.
- Photos of the day will also need to be taken. This can be done by you or a delegated staff member.
- Maintain safety of the group during facilitation and be familiar with Elements Policy & Procedures and the AP Manual.
- Collaborate with staff to run a debrief and help deepen the meaning for the clients' experience.
- When returning from the field, gear needs to be check back into the gear storage unit.
- Within 48 hours, a trip report will be written and sent to the field department and group's therapist.
- Photos will need to be sent to parents using a server known as Best Notes.

## Compensation:

Pay will be based on the applicants guiding experience as well as their experience working with similar clientele.
