

## A Team of Healthcare Advocates You Can Trust

The world of health insurance is ever changing and having a knowledgeable healthcare advocate in your corner, who is well-versed in insurance regulations and processes, can be extremely beneficial. Since 1990, our main goal as Patient Advocates in Insurance is to remove the burden of fighting claims and help make your family financially whole again.

We specialize in residential treatment, wilderness and transitional programs, sober living, behavioral health transport, psychological testing and many other types of claims. Our experience involves pursuing all levels of care, including Acute, RTC, PHP, IOP and General Outpatient.

If you've had a claim denied or can't seem to get the information you need from your insurance company, contact us today and let us advocate for you. To get started with our expert Initial Evaluation, please contact:
